WORKSHOPS AND FACILITATED eCOURSES

Two affordable options for learning and professional development from the convenience of your desktop!

› WORKSHOPS are small-group webinars led by recognized experts, offering you the chance to get authoritative answers to your questions while interacting with colleagues who have similar concerns. Related readings also enhance your learning and support-focused discussion chat.

› FACILITATED eCOURSES are asynchronous online courses, offering readings and/or media files, instructor-led discussions, and weekly assignments or activities. The instructors are experts in their content area as well as in leading interactive online learning. All interactions take place on the eCourse website, available 24/7. A certificate of completion is available to participants after the course.
