Kristen thanked us for our work this year.

Prior to the meeting, Committee members reviewed the Committee Review form and our Committee Charge. During the meeting, we discussed the need show the Committee’s value and agreed that it was a good time to look holistically at the Committee and write a thorough report that includes ongoing value in terms of future changes with ALCTS. CEC is a great committee and everyone contributes. The Co-Chairs will be working on the report and will share it with the committee for review.
