

**RESOLUTION TO INCREASE FUNDING FOR THE IMPROVING LITERACY THROUGH SCHOOL LIBRARIES PROGRAM TO A \$100 MILLION**

- WHEREAS,** Students with strong school libraries staffed by state-certified school librarians learn more, get better grades, and score higher on standardized tests; and
- WHEREAS,** Students must master 21st century skills to compete in today's global economy and participate as informed citizens; and
- WHEREAS,** School libraries educate students in the critical, specialized thinking skills that are identified in the *AASL Standards for the 21<sup>st</sup> Century Learner* and are essential to college and career readiness; and
- WHEREAS,** School libraries ensure that all students have equal opportunity to master the 21st century skills necessary to participate in the digital age; and
- WHEREAS,** The Improving Literacy Through School Libraries program improves student literacy skills and academic achievement by providing increased access to up-to-date library materials, well-equipped technologically advanced school libraries, and well-trained state-certified school librarians; and
- WHEREAS,** The United States Department of Education rates the Improving Literacy Through School Libraries program as highly effective in improving the quality of those school libraries receiving the grants; and
- WHEREAS,** The Improving Literacy through School Libraries program facilitates student learning in critical 21st century skill areas by providing 24/7 access to essential information resources; and
- WHEREAS,** The Improving Literacy through School Libraries program was authorized at \$250 million but currently only appropriated at \$19.1 million, with the result that, of 450 applicants in FY2009, only 57 school libraries from 23 states received funding; and
- WHEREAS,** The Improving Literacy through School Libraries program must receive appropriations at a minimum of \$100 million to make this program a population-based state grant so that all states receive equitable funding; now, therefore, be it
- RESOLVED,** That the American Library Association (ALA):
1. Urges Congress to commit a minimum of \$100 million designated specifically for school libraries in FY2011 and beyond to the Improving Literacy Through School Libraries program to establish a population-based state grant program that provides students in every state the opportunity to increase reading achievement and master 21st century skills.
