Introduction

The Association for Library Service to Children (ALSC), a division of the American Library Association, is the world's largest organization dedicated to the support and enhancement of exemplary library service to children. Driven by its 4,000+ members, ALSC is a dynamic force for positive change. To achieve its vision, ALSC believes it must evolve as an organization (Transforming ALSC), contribute to the elevation of the profession (Transforming Children's Librarianship), and encourage libraries to serve as inspirational anchor institutions (Transforming Communities Through Libraries).

Implementation

ALSC relies on the expertise and stamina of its members to turn its vision into measurable impact. The 2017-2020 ALSC Strategic Plan outlines paths within each Area of Strategic Action and target dates for fulfilling each objective. The success of these endeavors will depend upon the committees and individual members within ALSC who step forward to lend their energy, dedication and commitment, with support from ALSC leadership and staff, to advance the Association in the areas of Diversity & Inclusion, Advocacy, and Learning & Development.
