Pete James Giacoma, Salt Lake City, is the recipient of a $3,000 David H. Clift Scholarship which will be awarded at the 1979 Annual Conference of the American Library Association in Dallas on June 25.

Mr. Giacoma is a Magna Cum Laude graduate of the University of Utah, with a BA in English.

His involvement in the library field started at the Salt Lake City Public Library, where he worked for four years in a variety of positions, including reference, collection development, community outreach, children's programming and head of the Chapman branch. As president of the Staff Association, he developed a grievance procedure and educational programs for the staff. He also served on the library's Long Range Goals Committee.

Giacomo's future interests lie in continuing in the public library field, either in children's services or adult programming.

The ALA Scholarship program is financed through an annual $6,000 donation from the Xerox Publishing Division and individual contributions.
