FOR IMMEDIATE RELEASE

March 1979

The Library Services for Spanish-Speaking Youth Committee of ALA's Young Adult Services Division has started a project to identify where libraries are offering services for Spanish speaking young adults and to find out what types of programs have been successful with this audience.

Many libraries provide a variety of services for Spanish speaking young adults including: programs in Spanish and English, special collections of books in Spanish, and reference services in Spanish.

If your library offers services to Spanish speaking young adults, please send a brief description of your service to Ma'Lis Wendt, The New York Public Library, Office of Special Services, 8 East 40th Street, New York, NY 10016.
