FOR IMMEDIATE RELEASE

March 1979

There are still copies available of A Directory of Friends of Libraries Groups in the United States for \$6.50 from the Library Administration and Management Association of the American Library Association.

The 297-page directory contains 2108 entries. Each entry includes the name of the Friends group if known, the name of the library affiliation, street address, city, state, and zip code. This basic information is least likely to become dated and it allows the user to choose those groups located nearby and write for further information.

Each directory includes a form to enable Friends groups missed in the first edition to notify the editor for inclusion in later editions or supplements.

Although the directory includes mostly public and academic library Friends groups, other types will be added in later editions.

Copies can be ordered from the Library Administration and Management Association, ALA, 50 East Huron Street, Chicago IL 60611. Telephone 312-944-6780.
