FOR IMMEDIATE RELEASE

July 1978

The Friends of the Library Committee of the Public Relations Section, Library Administration Division of ALA has begun publication of a four-page quarterly newsletter called Friends of the Library National Notebook.

The newsletter will carry news of ALA activities of interest to Friends, of national and local events of interest to Friends, and hints on "how to do it or to do it better."

The first few issues of the newsletter will be free to Friends and librarians around the country, but after the fall 1978 issue a subscription of \$4.00 a year will be charged. Library Administration Division officers see the National Notebook as an indication of interest in a national Friends organization within the Division. If the Notebook garners support, it could lead to other activities on a national scale.

For a copy of the first issue of the National Notebook, to place a subscription or to request a subscription form, contact the LAD Headquarters at the address below:
