Report of the AASL/ALSC/YASD Task Force on Alliance of Excellence

The Task Force met on March 29, 1985. Ray Fry, Chair of the Advisory Board of Libraries and the Learning Society, and Director of the Division of Library Programs, U.S.D.E., reviewed the dissemination of the document. It appears that at present the Department of Education has no plans for implementation of Alliance for Excellence.

We reviewed all of the "Recommendations" A through M. It is our conclusion that Recommendations D, E, I, and L have implications that could be addressed by the three youth divisions, but would probably best be addressed by a wider range of the "library community".

Recommendations D, I, K, L, and M have implications for research, much of which would need to come from outside of the youth divisions.

Phase 2 may wish to prepare specific proposals for action on Recommendations D, E, I, and L.

IV. Future meetings of AASL/ALSC/YASD Executive Committees
It was generally agreed that the Executive Committees of the three divisions should continue to meet on a regular basis. The division Executive Directors agreed to: 1) review 1985 Annual Conference schedules to see when a meeting time could be arranged; and 2) add a AASL/ALSC/YASD Executive Committee meeting to the 1st basic schedule for the 1986 ALA Midwinter Meeting.
