Iva,

Carried your note to Nancy

down to the Ours beautiful
New Eastern Shore home where

she has retired with George

happily + healthily for THE GOOD LIFE.

My first ^{last} impression was the
less foldover the better. Nancy agrees

Of course, the dignity and honor will be

preserved without the bacchanalia.

That recent remark about the Gods
+ Goddesses of Children's Literature ^{SLIS} was
a little testy but there was truth

in it.

The alternative sounds great
Let's try something NEW.

Best wishes,

Lobby Hoke

See you at ALA!
