Dear Task Force -

I enjoy the format of
the N/C Banquet & have
been going since 1972.

Sometimes the cost is
more than the meal is
worth, but I enjoy the
formalness of it. I

liked getting memorabilia
(mugs, etc.) better than
a tape of the speeches -
which I can read in
TON. Even though

I am normally a
very informal person
I think ALSC members
enjoy the specialness
of a banquet.

Sincerely,

Jill L Locke
