Dear Ann,

Maggie Bush and I had a good long chat last evening. Basically I had wanted to touch base with her about the appointments to the Batchelder Task Force. We agreed to the following:

1. Chair, Bette Peltola
2. Liz Huntoon
3. Ginny McKee

As backup: Jean Greenlaw, Pat Cianciolo, and Maggie Kimmel. It probably would be helpful for them to see my memo and Maggie Kimmel's regarding our positions on this topic.

Is this a case where you (or I) might want to call Liz and say how articulate she had been and that she (I think) is the only one who knows Mildred?

I wanted to have a former chair and former/or current board member. Bette is needed for her experience, knowledge, wisdom, and insight about awards, etc.

Sorry I was so pokey in getting this <sup>one</sup> down.

The tabulations on the ALSC Priorities is almost completed; no big surprises but some interesting ideas.

See you soon!

Sincerely,

A handwritten signature in cursive script that reads 'Phyllis'.
