Re: Enclosed materials - for ALSC files

I am:

1. returning Spencer Shaw's Wilder materials, borrowed from the ALSC files some time ago. They came out of the Wilder files the year Shaw died (1982).
2. sending you correspondence, which you do not have, related to the Batchelder Book Force I died. Please place these materials in the file. They may be of historical help at a later date, or help as source studies the Batchelder award in the future. If you do not want these materials, please return them to me rather than destroying them.

Received the N & C manuals yesterday, I'll try to review them this weekend.
