Re: Enclosed materials - in ALSC files  

I am:

1. returning Spencer Shaw's Wilder materials, borrowed from the ALSC file some time ago. They came out of the Wilder files the year Shaw died (1982).

2. sending your correspondence, which you do not have, related to the Batchelder task force I chaired. Please please these materials in the file. They may be of material help at a later date, to help anyone studying Mrs. Batchelder award in the future. If you do not want these materials, please return them to me rather than destroying them.

Received the N & C manuals yesterday, I'll try to review them this weekend.
