To: ALSC and REFORMA Executive Committees

From: Diane Foote, ALSC Executive Director

Re: Belpré Questions Task Force

You may already be aware of this task force, but it's a good idea to remind ourselves of its task and progress.

Its Function Statement is "To address questions raised by recent committees regarding policies and procedures for the award, and to develop a written job description for a REFORMA "cultural competency consultant" for this committee."

It is chaired by ALSC and REFORMA member Jean Hatfield, and includes two additional REFORMA members (Lucía González and Oralia Garza de Cortes) and two additional ALSC members (Charrette Kuhn-Kendrick and Jamie Naidoo).

Its final report is due to both ALSC and REFORMA Boards at Annual Conference 2009 in Chicago. Both Boards will need to approve any recommended changes to policies and procedures governing the awards.
