FOR IMMEDIATE RELEASE

November 1977

The American Library Association is revising the brochure "Selecting Materials for Children and Young Adults." The revision of this bibliography is a joint project of the Association for Library Service to Children (ALSC) and the Young Adult Services Division (YASD).

The committee is looking for bibliographies and sources of reviews of print and non-print media for children and young adults on these topics: foreign books, paperbacks, reference books, arts & literature, social studies, science & math, biographies, careers, holidays, fiction, and sex education. Special attention will be given to materials that are non-sexist, multi-ethnic, or for the handicapped or reluctant reader.

Please send the information on any publications (review sources or bibliographies) to: Mary Flourmoy, Office of Work with Adults & Young Adults, The Free Library of Philadelphia, Logan Square, Philadelphia, PA 19103.

A review copy would be appreciated. Any source to be listed should be available in sufficient quantities to meet the demand from school and public librarians who will use this bibliography as a resource in selecting materials.
