Telephones: 663-0140 and 0141

The Frederic G. Melcher Scholarship for 1976-77, a grant of \$4,000, was awarded to Nancy Snyder of Great Falls, Montana, at a meeting of the Children's Services Division on Monday, July 19, during the Annual Conference of the American Library Association in Chicago.

After graduation with a Bachelor of Science in elementary education from Macalester College, St. Paul, Minnesota, Ms. Snyder taught fourth grade in Great Falls for several years. When the school district decided to add librarians to school faculties she attended summer sessions at the University of Montana to complete state certification requirements. Since then she has been a school librarian in Great Falls, working between several elementary schools each year.

Ms. Snyder will study for her master's degree in library science at Catholic University of America in Washington, D.C.
