FOR IMMEDIATE RELEASE

AUGUST 1977

A new bibliography on school/media centers is now available from the Library Administration Division (LAD) of the American Library Association.

This five-page bibliography replaces one published in October, 1969. It includes annotated entries selected from the professional literature published between 1969-76 and covering all aspects of the planning and design of modern school and media centers.

Compiled by Peggy Sullivan of the Chicago Public Library, the bibliography's publication was made possible by a gift from Hilda A. Joiner of Baton Rouge, Louisiana.

A copy is available from: Library Administration Division, ALA, 50 East Huron Street, Chicago, IL 60611. Please enclose a 13-cent stamp with your request. Special rates for multiple copies are available.
