## RQ AVAILABLE ON SUBSCRIPTION

RQ, a readable periodical focused on user-oriented library services, will be available on an open subscription basis with the Fall 1976 issue.

RQ is the official quarterly journal of the Reference and Adult Services Division (RASD) of the American Library Association. In the past it has been available only to RASD members and it will continue to be sent to members free of charge as one of the benefits of membership in RASD.

Issues of RQ include such regular features as reference book reviews, a checklist of ALA materials, and the ever popular "Exchange" which provides reference librarians with an opportunity to swap unanswered questions and ingenious research. There are also feature articles on the trends and techniques of effective library service.

RQ will continue to be published four times per year--Fall, Winter, Spring, and Summer. The annual subscription rate will be \$15.00. Back copies will be available at \$4 each. Orders should be directed to: Subscription Services, American Library Association, 50 East Huron Street, Chicago, IL 60611.
