Two new resources are now available on loan from ALA's Young Adult Services Division. "Juvenile Correctional Institutions Library Service: An Information Packet" and "Juvenile Mental Health and Mental Retardation Institution Library Service: an Information Packet" were developed by YASD's Library Service to Young Adults in Institutions Committee.

These packets are compilations of information useful to persons interested in establishing or expanding a program of service to young adults in institutions. Covering a wide geographical area, the packets include examples of grant proposals, contractual agreements, selection policies and other articles about successful and unsuccessful programs.

They are not for sale. They can be obtained on loan from YASD, American Library Association, 50 East Huron Street, Chicago, IL 60611.
