FOR IMMEDIATE RELEASE OCTOBER 1976

A "Survival Kit," produced by a committee of ALA's Young Adult Services Division (YASD), provides information to justify and promote young adult services as part of any total public library program serving an entire library community.

Included in the kit are items from libraries around the country, selected because they demonstrate the purpose and methods of providing services to young adults. Some materials have been specially prepared for this kit. All items are samples that can be used freely as guidelines or models for implementation.

Just some of the items in the kit are a "Young Adults Alternative Newsletter," "The Who and Why of Young Adults Services," "Gambit: Selected Strategies for Young Adult Programs."

The "Survival Kit" is available at a cost of $2.25 (prepaid) from the YASD Office, American Library Association, 50 East Huron Street, Chicago, Illinois 60611.

ALL ORDERS MUST BE PREPAID.
