

LIRT Conference Program -- 2000

Teaching As Performance

LIRT 2000 Annual Conference Program

Sunday, July 9, 2000

9:30 am - 12:30 pm

Marriot Grand Ballroom I

As teaching librarians, we are always "on stage". Like actors and other performers, our ability to communicate our message depends not only on content but on how well we present ourselves:

- What can we learn from the theatrical professions to enhance our teaching?
- What techniques can we use to connect with our audience?

This practical program will focus on ways to improve library instruction through better presentation skills.
