

Map Scanning Registry Input Form

The following form has been downloaded from the original Map Scanning Registry website.

Add Project

1. Submit one form per project, please be as concise and accurate as possible. Carefully check what you have entered, then click the Submit button.
2. Your entry will be automatically added to the Registry.
3. The website manager will review each submission and send an e-mail message to the contact provided in the entry form to confirm its receipt and inclusion in the database.
