

## 2006 YALSA Selected Videos & DVDs for Young Adults

The Young Adult Library Services Association (YALSA), the fastest growing division of the American Library Association (ALA), has announced its 2006 annual selected list of best DVDs and videos for young adults.

The list was released during the ALA Midwinter Meeting in San Antonio on January 24, 2005. The 10 member committee solicited video submissions from film producers and distributors around the country.

The annual DVD/Video list recognizes productions for technical merit, content, and use with and interest to young adults ages 12-18. Selections are chosen for the list using a round table discussion followed by a simple majority vote. After a weekend of friendly yet passionate debate, the list was narrowed to seven titles that the committee considered notable.
