RE: Annual Report

- The book selection committee selected Walter Dean Myers, author of Motown and Didi (viking), as the 1985 recipient of the CSK Book Award.

- News release on the award has been sent to the Press and Media.
- Arrangements for the 1985 breakfast presentation in Chicago are firming up. Violette Brooks of Chicago is serving as local arrangements chair.
- Recruited five new members to the Task Force.
- Revised the Task Force Roster.
- Made an appeal for volunteers to help staff the SRRT table at the Chicago conference in the February update sent to Task Force members.
- Task Force voted to give appreciation citations to John H. Johnson and Basil Phillips for their support through the years.
