**[FEATURED AUTHOR: TESSA DARE](#)**

### ★ [The Duchess Deal](#)

By Tessa Dare

RITA award-winning novelist Tessa Dare has released the first in a new historical romance series. In *The Duchess Deal*, the Duke of Ashbury must marry to maintain his title, but convincing a local seamstress to walk down the aisle with him proves to be far more complicated than he anticipated. Like Dare's previous books, her latest is, "deliciously clever," and, "addictively tart," especially the banter between her rich, nuanced characters. Be sure to stock Dare's titles below and recommend them to fans of Julia Quinn, Mary Balogh, and Lisa Kleypas.

[EARTH HATES ME BY RUBY KARP](#)

---

"Generous, insightful, and funny, Karp is an excellent life coach for contemporary high-school students." — **Booklist, starred review**

"This book is full of juicy young person wisdom."  
—**Amy Poehler**

When adults write advice for teenagers, they can easily seem condescending or out-of-touch. *Earth Hates Me: True Confessions from a Teenage Girl* doesn't talk down to teenagers, because the author is a teen herself.

In *Earth Hates Me*, sixteen-year-old Ruby Karp addresses issues facing high schoolers today—from grades to peer pressure to Snapchat stories—and unpacks their complicated effects on the teen psyche. Ruby mines pop culture and her own embarrassing moments for lessons about heartbreak, feminism, and the fear of missing out. Her personal stories, and her ability to laugh at them, make the book fun, readable, and ultimately empowering.

For teens who need a role model and for adults who want to understand them.

## NEWSWORTHY

---

Pullman demonstrates that his talent for world building hasn't diminished, nor has his ability to draw young characters—here, Malcolm, who is layered enough to carry an adventure through multiple dimensions.

### ★ An Inconvenient Sequel: Truth to Power

By Al Gore

Gore provides specific guidelines for productive activism, from talking with climate deniers to contacting politicians, writing opinion pieces, starting petitions, and being an effective online climate-change activist.

## SECOND LOOKS

### ★ The Silence

By Tim Lebbon

Told in alternating points of view, switching back and forth between Ally and her father, the story is terrifying and almost painfully claustrophobic in places, with compelling characters (watch out for the reverend!), and really, really scary monsters. Genius at work here.

### WHAT IS A *BOOKLIST ONLINE* EXCLUSIVE REVIEW?

*Booklist Online* exclusive reviews complement *Booklist*'s already extensive print coverage, allowing us both to review some subject areas in greater depth and to weigh in more quickly on titles not released for review in advance of publication. Occasionally, we write new reviews of older books, too, to offer fresh perspective on a familiar work. These titles are recommended, with qualifications as noted, for purchase by public and school libraries; for further information, please consult the *Booklist* selection policy.
