**FEATURED AUTHOR: CRAIG JOHNSON**

## **The Western Star**

By Craig Johnson

In *The Western Star*, *New York Times* best-selling author Craig Johnson alternates between past and present, connecting two cases that carry personal stakes for Walt Longmire: In 1972, Walt, a newly hired deputy, must determine which sheriff on his train is a murderer; in the present, he navigates a politically charged parole hearing. Though *The Western Star* is Johnson's thirteenth entry in his popular Longmire series, it's one of his strongest in years, so be sure to recommend his latest—as well as the following titles—to fans of the popular TV show. For other railway-based whodunits, check out Steve Hockensmith's *On the Wrong Track* and Andrew Martin's *The Necropolis Railway*.

**An Obvious Fact**

**The Highwayman**

★ **Promise Me, Dad: A Year of Hope, Hardship, and Purpose**  
By Joe Biden

In 2013, Joe Biden's son Beau was diagnosed with stage IV brain cancer. A vibrant man in his early forties, Beau was diagnosed at the height of his professional and personal powers. As attorney general for the state of Delaware, Beau was on a political path that could have taken him to the state's governor's mansion and, ultimately, the White House.

★ **The Vanity Fair Diaries: 1983-1992**  
By Tina Brown

Oxford graduate Tina Brown was not quite 30 in 1980 when she arrived in New York and took over the editorship of *Vanity Fair*. It was a bold move for Condé Nast owner Si Newhouse, and it was a stroke of genius. In today's media world, when many have written off the viability of print magazines, especially the high-circulation, glossy variety, the story of how Brown revived the once-grand *VF*, which was losing millions of dollars a year when she sat down at the editor's desk, has the ring of *Camelot* to it.

**Presenting the 2018 Carnegie Shortlist**  
With Jennifer Egan, David Grann, and Nancy Miller

### WHAT IS A *BOOKLIST ONLINE* EXCLUSIVE REVIEW?

*Booklist Online* exclusive reviews complement *Booklist's* already extensive print coverage, allowing us both to review some subject areas in greater depth and to weigh in more quickly on titles not released for review in advance of publication. Occasionally, we write new reviews of older books, too, to offer fresh perspective on a familiar work. These titles are recommended, with qualifications as noted, for purchase by public and school libraries; for further information, please consult the *Booklist* selection policy.
