### WHAT IS A *BOOKLIST ONLINE* EXCLUSIVE REVIEW?

*Booklist Online* exclusive reviews complement *Booklist's* already extensive print coverage, allowing us both to review some subject areas in greater depth and to weigh in more quickly on titles not released for review in advance of publication. Occasionally, we write new reviews of older books, too, to offer fresh perspective on a familiar work. These titles are recommended, with qualifications as noted, for purchase by public and school libraries; for further information, please consult the *Booklist* selection policy.
