FEATURED AUTHOR: CATHY KELLY

Secrets of a Happy Marriage

By Cathy Kelly

Popular Irish author Cathy Kelly weaves a lovely, multigenerational tale in her latest novel, *Secrets of a Happy Marriage*. As Edward Brannigan's seventieth birthday party approaches, tensions grow among the women closest to him. Edward's daughter, who is struggling with infertility, resents Edward's second wife, Bess. Bess grapples with her role in Edward's family while attempting to control her own daughter, who has finally found her voice and independence. By the time they celebrate Edward's birthday, familial tension gives rise to confrontations that will change the lives of these women forever. Despite the surface-level drama, Kelly writes with her trademark warmth and sensitively depicts the different ways people find their place in the world. Recommend Kelly's mature, Irish chick lit to readers who have enjoyed Maeve Binchy and Sheila O'Flanagan.

WHAT IS A *BOOKLIST ONLINE* EXCLUSIVE REVIEW?

Booklist Online exclusive reviews complement *Booklist*'s already extensive print coverage, allowing us both to review some subject areas in greater depth and to weigh in more quickly on titles not released for review in advance of publication. Occasionally, we write new reviews of older books, too, to offer fresh perspective on a familiar work. These titles are recommended, with qualifications as noted, for purchase by public and school libraries; for further information, please consult the *Booklist* selection policy.
