### **FEATURED AUTHOR: GARETH HINDS**

---

## The Iliad

By Gareth Hinds

Throughout his career as a graphic novelist, Gareth Hinds has adapted works by Poe, Shakespeare, the Greeks, and more. His most recent foray into ancient tales is *The Iliad*, where he depicts Homer's version of the Trojan War with both accuracy and sensitivity. Hinds captures the misery of battle through his cinematic sequences, and his realistic watercolors show how war hurts everyone involved. The rich text and footnotes will help readers keep track of the tale's many heroes, leaders, gods, and goddesses, yet even with all these details, the graphic novel maintains an atmospheric feel. For other artful versions of classic, epic literature, try Damien Duffy and John Jennings' take on Octavia Butler's *Kindred* as well as Hope Larson's tribute to Madeleine L'Engle's *A Wrinkle in Time*. And check out Hinds' other stunning works below:

### WHAT IS A *BOOKLIST ONLINE* EXCLUSIVE REVIEW?

*Booklist Online* exclusive reviews complement *Booklist*'s already extensive print coverage, allowing us both to review some subject areas in greater depth and to weigh in more quickly on titles not released for review in advance of publication. Occasionally, we write new reviews of older books, too, to offer fresh perspective on a familiar work. These titles are recommended, with qualifications as noted, for purchase by public and school libraries; for further information, please consult the *Booklist* selection policy.
