FEATURED AUTHOR: TIM LEBBON

[The Edge](#)

By Tim Lebbon

It's sf/fantasy & horror month, so let's talk about Tim Lebbon, who finished his Relics trilogy with [The Edge](#). In this dark, alternative universe, patrons pay handsomely for mythical creatures ("kin") and their artifacts. Now, in the finale, humankind and kin are drawn to a city once annihilated by disease, and the battle there could determine the survival of both races. By focusing on his characters, Lebbon strikes a balance between the book's cosmic-scale stakes and personal stories. For more horror-fantasy authors, try Christopher Golden and Tanya Huff. Otherwise, check out Lebbon's other titles below.

WHAT IS A *BOOKLIST ONLINE* EXCLUSIVE REVIEW?

Booklist Online exclusive reviews complement *Booklist*'s already extensive print coverage, allowing us both to review some subject areas in greater depth and to weigh in more quickly on titles not released for review in advance of publication. Occasionally, we write new reviews of older books, too, to offer fresh perspective on a familiar work. These titles are recommended, with qualifications as noted, for purchase by public and school libraries; for further information, please consult the *Booklist* selection policy.
