### ★ **Two Rogues Make a Right**

By Cat Sebastian

Cat Sebastian's popular novels bring much-needed LGBTQ+ storylines to the historical romance genre, and in *Two Rogues Make a Right*—the latest in her *Seducing the Sedgwicks* series—she turns the focus to Will Sedgwick. Will's best friend, Martin, is afflicted with consumption, so Will whisks Martin away to Sussex in the hopes of curing him. Though Martin is grateful for Will's attention, he also worries that after spending so much time in close proximity, Will might discover how Martin truly feels. Once again, Sebastian balances sweet romance with bold sensuality as these two friends take their relationship to new depths. She also writes with wit and sensitivity as she explores their nuanced emotions and conflicts. For other swoon-worthy, Regency-era, LGBTQ+ romances, try KJ Charles' *Society of Gentlemen* series or Olivia Waite's *Feminine Pursuits* series—and check out Sebastian's other titles below!

## WHAT IS A *BOOKLIST ONLINE* EXCLUSIVE REVIEW?

*Booklist Online* exclusive reviews complement *Booklist*'s already extensive print coverage, allowing us both to review some subject areas in greater depth and to weigh in more quickly on titles not released for review in advance of publication. Occasionally, we write new reviews of older books, too, to offer fresh perspective on a familiar work. These titles are recommended, with qualifications as noted, for purchase by public and school libraries; for further information, please consult the *Booklist* selection policy.
