ALSC names Notable Computer Software for Children

The Association for Library Service to Children (ALSC), a division of the American Library Association (ALA), has selected its third list of outstanding microcomputer software programs for use by children. The list, released during the ALA Midwinter Meeting in Denver, is based on programs copyrighted in 1992.

Members of the Computer Software Evaluation Committee were: Civia M. Tuteur, chair, Chicago Public Library; Cecily R. Pilzer, Davis Community Library, Bethesda, Md.; Margaret R. Tassia, Millersville (Pa.) University Department of Library Science; Joanne J. Troutner, Tippecanoe School Corporation, Lafayette, Ind.; Carol Ann Wilson, Westfield (N.J.) Memorial Library, and Judy Zuckerman, Yorkville Library, N.Y.

Attached is a list of selected computer software and comments from the committee about each.
