LITA President's Program previews next 25 years

"Looking Forward: The Next 25 Years in Library and Information Technology" is the title of the Library and Information Technology Association (LITA) President's Program on Monday, June 28, from 2 to 4 p.m., during the American Library Association (ALA) Annual Conference.

Hosted by the LITA Silver Celebration Committee, the program will feature three LITA past presidents: Steve Salmon, Carlyle Systems, Inc.; Fred Kilgour, formerly of OCLC, and Barbara Markuson, INCOLSA. LITA President Walt Crawford of Research Libraries Group will serve as moderator.

The program will celebrate a quarter-century of library and information technology as the speakers offer their insights into the next quarter-century in the field.

A reception will follow the program from 4:30 to 5:30 p.m.
