ALSC names Notable Children's Recordings

The Association for Library Service to Children (ALSC) has announced its list of Notable Children's Recordings of the year. The list was compiled by an ALSC committee during the 1993 American Library Association (ALA) Midwinter Meeting in Denver.

The list includes children's recordings released in the United States during 1992. ALSC hopes the list will promote the selection and use of the highest quality recordings in schools, libraries and homes and will encourage production of an ever-increasing number of excellent recordings for children.

Members of the Notable Recordings Committee were: Elizabeth M. Simons, chair, Kirkwood Highway Library, Wilmington, Del.; Kathy Heinrich, Cuyahoga County Public Library, Ohio; Anne Meridian, Fairwood Library, Renton, Wash.; Penny Peck, San Leandro Public Library, Calif.; Marilyn Payne Phillips, University City (Mo.) Public Library; Susan Pine, The New York Public Library; Elizabeth McClure Rosen, Urbana, Ill., and John Sigwald, Unger Memorial Library, Plainview, Texas.
