**Connery, Arnold, Greene, Yamaguchi latest ALA "Read" poster celebrities**

Actors Sean Connery, Roseanne Arnold, Graham Greene and Olympic champion Kristi Yamaguchi are the latest celebrities to appear on the acclaimed "READ" poster series developed by the American Library Association (ALA).

Each 22" x 34" full-color poster depicts the star with a favorite book. Connery relaxes with "The Spirit of Scotland," Arnold enjoys "A Tale of Two Cities," Greene savors "Roses Are Difficult Here" and Yamaguchi fancies "Heartbeat".

Other posters in the series feature Whoopi Goldberg, Bo Jackson, Jimmy Smits, Oprah Winfrey, Glenn Close, R.E.M., Denzel Washington and Harrison Ford.

The four new posters can be ordered individually (\$6 each) or in a kit (4 for \$20). A kit with all 22 celebrity posters is \$102 (a \$132 value).
