

RBMS RARE MATERIALS CATALOGERS DIRECTORY

Do you have rare materials to catalog which leave you flummoxed? Do you not know where to turn?

or

Do you catalog extraordinary material? Do you have specialized knowledge of format, graphic process, language, et al.?

In either case, we invite you to visit the RBMS Rare Materials Catalogers Directory (<https://rbms.info/catalogersdirectory/>). It is a free and voluntary directory of specialists who can assist with complex bibliographic questions and a place to highlight and share your skills by adding your name.

For more information, please visit the Directory or e-mail one of the co-chairs of the committee at directoryeditor@rbms.info.
