BACKGROUND: *(add information)*

The Council Orientation Committee has met virtually twice since LibLearnX to discuss the Orientation meeting at Annual later this month and determine what type of mentoring activity for new Councilors will work best at present.

The Orientation in-person meeting agenda has been prepared by our staff liaison Marsha Burgess, and will include greetings and information from the ALA governance staff, ALA parliamentarian and new Parliamentarian, Resolutions chair, and an opportunity to go to the microphone and speak. We will also work with Councilors to assist them in finding an affinity group.

New Councilors (or any Councilor) were invited to ask for an informal mentor from the Orientation Committee before the in-person conference and those who have reached out have been paired a committee member.

We look forward to seeing you soon, either in person in DC or via virtual meetings.
