I have a year of research leave coming up, starting (officially) as of August. I am determined to protect that time, and to that end

Have no fear, this is the sort of thing I am happy to do since I consider the outreach so important. You can count me in! Matt

....I have now set up four circles: Gryffindor, Ravenclaw, Hufflepuff, and Slytherin. It's amazing how neatly everyone maps. (Especially you.)

...it's such an exciting time for special collections and I'd be thrilled to have the chance to bounce some ideas around with a committed and interesting audience.
