

DRAFT MINUTES

2014 Annual Conference Program Planning Committee

Sunday, Jan. 27, 2013, 10:35-11:25am

Sheraton Seattle Hotel - Chelan

ATTENDEES: Lois Fischer Black (co-chair), Jessica Pigza (co-chair), Fernando Pena (RBMS vice-chair/chair elect), and the following visitors: Shannon Supple, Mary Lacy, Rachel D'Agostino, and Mike Kelly.

Welcomes, introductions.

Jessica Pigza volunteered to take minutes.

Lois and Jessica introduced the general theme, Vice, that they hope to pursue when shaping the program. A brainstorming session ensued, concerning questions of:

--what vices to consider

--different speakers' potential perspectives (a researcher's perspective, a collector's --perspective, a library's collection development perspective, etc.)

--the changing definition of vice over time

--the challenges of collecting/documenting vice culture today

--possible sources for speakers in the Las Vegas area--and the possibility of calling on—the Nevada Historical Society or local arrangements contacts for suggestions

It was agreed that a possible co-sponsorship in name only with the ALA Anthropology and Sociology section should be considered.

Jessica confirmed that she will work closely with the preconference planning committee to make sure that there is no overlap in specific theme or speaker choices.

All visitors were invited to join the committee.

Meeting adjourned, 11:25am.
