

BSC-MAC Report  
January 16th 2024  
Jackie Parascandola

In December 2023 the MARC Advisory Committee (MAC) accepted our Discussion Proposal (DP) and it advanced for consideration at the mid-winter meeting to be held on January 24-25 2024.

We already have received some support from VRA (Visual Resources Association) and ARLIS (Art Libraries Society) for this DP.

Additionally, the two papers we consulted with OCLC also advanced for consideration.

Please send comments to me by January 17th 2024 to be included in the RBMS report to MAC.

Thank you.
