

Greetings,

The co-conveners of the **Collection Development Discussion Group** invite you to a virtual discussion of topics relating to collection development during and after the current national and global crises. Please join us for a zoom meeting on **June 16th at 1:00-2:00 EDT/ 11:00-12:00 MDT/12:00-1:00 CDT**.

Here are some questions to get us started, but please feel free to bring others that may benefit from the collective wisdom of the group:

- Is your institution assembling collections relating to the current crises? If so, how are you soliciting donations for materials relating to the pandemic as well as community responses to the killing of George Floyd?
- Has your institution implemented an acquisitions freeze for the upcoming fiscal year?
- How do you intend to respond to faculty requests for new materials?
- How will new incoming materials be handled?
