

NMRT Board Member Progress Report

1. Office Name: Past-President

2. Office Term: 2012/2013

3. What kind of interaction have you had with your committees thus far this year? What support have you been able to provide them?

I have overseen the work of the Nominations Committee, and am very pleased with the slate of candidates they developed.

I have also supported the President and Vice-President by providing some institutional memory and some suggestions. They have both accomplished a great deal this year and I have been less and less involved as the year progresses. It is a relief to relax my vigilance and leave NMRT in excellent hands.

My favorite participation this year was speaking about NMRT's experience with online participation, as part of an RTCA-sponsored webcast, "Going Virtual without Going Mad." NMRT has led the way in digital participation over the past decade, and continues to break new ground.

4. What would you still like to accomplish in your office before the end of your term?

The NMRT Alumni & Friends Ad Hoc Committee is exploring opportunities for working with NMRT supporters who have been ALA members for more than ten years. We will present our recommendations to the NMRT Board at ALA Annual in Chicago.
