NMRT Board Member Progress Report

1. **Office Name:** President

2. **Office Term:** 2012-2013

3. **What kind of interaction have you had with your committees thus far this year? What support have you been able to provide them?**

I’ve been in contact with the President’s Program committee helping them formulate this year’s program. The timeslot for the program was changed from past years, but we are still confident we can get a good crowd.

The governance committee had put together changes to the Constitution that needed membership vote, but we missed the ballot deadline. I will work with next year’s chair to make sure the changes are implemented with the election next year.

I’ve also been answering questions that have come up from different committees in the past couple of months. We held a fundraising brainstorm after Midwinter with the committee leadership and board members.

4. **What would you still like to accomplish in your office before the end of your term?**

   - Pull out to-dos and explore them more from the fundraising brainstorm.
   - Support the Web & Archives committee in starting to revamp the reporting process and moving the Archives database over to ALA
   - Continue to support the Alumni Task Force where needed
   - Continue to support the NMRT committees where needed

5. **Date of report:** April 2, 2013
