## \*\*Goals, Objectives, Projects completed (including, but not limited to, any procedures, tip sheets, checklists, etc. created during the reporting year):

The application forms were further refined and the NMRT Web Committee was instrumental in getting the changes made to our web forms.

The committee used ALA Connect to host our email templates and make edits or changes to the templates. We oversaw two mentoring programs this year, Career Mentoring and Conference Mentoring. We had 62 total Career Mentoring matches with 64 mentees and 62 mentors. We had 25 mentors and 31 mentees participate in the Conference Mentoring. At ALA Annual we hosted the Mentoring Social for all mentoring program participants.

\*\*Action Items/Issues To Be Resolved – What plans/projects remain which will be carried over or postponed until next year? Have there been any substantial changes in plans requiring a reconsideration or cancellation of projects? Information regarding such will be helpful for future chairs and planners.

No plans or projects were postponed or need to be carried over. We recommend putting the calls for mentors out separately and early. We also suggest having two separate forms for each program.

## **Financial Report Section:**

| Your budget appropriation (see budget)                    | a. \$425 |

I don't know the exact amount spent on the social since Kari handled the social.
