NMRT Board Member Planning Report

1. Office Name: Treasurer

3. How do you plan to help committees address the four NMRT goals? (If it does not apply, put N/A.)

Trying to keep the lines of communication open.
Try to help the committees in monetary matters as much as possible.

4. How do you plan to create a positive committee experience? What type of support do you plan to provide to chairs and committee members, and how often do you plan to provide such support?

Try to give all the information I can to the board and committees as I can. After every conference remind the board members and committee chairs to hand in any receipt that they may have. Also to get every ones input in the next FY budget.

5. What future directions do you see your office or NMRT needing to take this year or the following year? What kind of strategies do you envision for addressing projects that affect committees outside of your supervision?

NMRT needs to address the long term funding issue. We are doing a good job in getting alum and friends of new members involved. However we need to have a dues increase, create several new funding sources, create and maintain donation sources, and make sure that the committees function as designed.
