

NMRT Board Member Final Report

1. Office Name: Past President

2. Office Term: 2012/2013

3. Discuss/summarize your involvement with your committees this year:

I worked with the Nominations Committee, which put together a strong slate of candidates.

4. Based on your year's experience in this office, what future directions do you see your office or NMRT needing to take this year or the following year?

I think NMRT knows where it is and where it needs to be and is heading that direction.

5. What tips or hints do you have that might help your successor carry out the duties of this office?

Past-President attendance at all NMRT conference events can be very helpful.

6. Please address the role of the board member as coordinator. For example, projects between membership promotion, diversity & recruitment and student outreach would need to be coordinated. How might activities such as this be handled by board members efficiently and smoothly? Your thoughts here will be most helpful for future boards.

The liaisons are a largely untapped resource. The more integrated they are in their associations, the better they can identify areas of overlap and potential collaboration.

7. Date of report: October 14, 2013
