Activity in Current Reporting Period

a) Projects completed (For example, any procedures, tip sheets, checklists, etc. created during this period):

- Put out two calls for submissions to NMRT members, library school students, state/regional ALA chapters, and scholarly publishing groups.
- Reviewed 7 article submissions.
- Solicited book reviewers from list and assigned 5; 2 received so far.

b) Projects in progress but not yet completed:

- Publishing a Spring 2014 issue of Endnotes (tentatively scheduled for May)
- Streamlining book review process

****Action Items/Issues To Be Resolved (What is left to do, based on your Planning Report? Have there been any substantial changes in plans since then? What items, if any, have been deferred until next year?):**

We are still working on gathering enough content to publish an issue of Endnotes. As in previous years, it's unlikely we will publish enough articles this year for Endnotes to be included in the Directory of Open Access Journals.
