

## **NMRT Board Member Progress Report**

**1. Office Name: President**

**2. Office Term: 2013-2014**

**3. What kind of interaction have you had with your committees thus far this year?  
What support have you been able to provide them?**

I have had ongoing contact with the President's Program Planning Committee as they have worked to plan NMRT's inaugural preconference. I enjoyed working with them to develop a theme, and I have helped them communicate with our staff liaison. The governance committee has actually worked more closely with the Past-President this year in order to tie up some loose ends. I have, however, worked with the chair to communicate updates with the Board and to prepare meeting agendas in the appropriate format.

**4. What would you still like to accomplish in your office before the end of your term?**

My biggest goal is to nail down a commitment of support from the vendor we've been reaching out to this year. Additionally, I am hopeful that all of our ballot initiatives, including the potential dues increase, will pass. Finally, I would like to continue encouraging communication among the Board, between committees and the Board, and to and from NMRT as a whole and its members.
