**3. How do you plan to help committees address the four NMRT goals? (If it does not apply, put N/A.)**

Goal 1: I plan to encourage communication between committee members and help my committee chairs reach their own goals and have a positive leadership experience in NMRT.

Goal 3 and 4 are N/A to this position.

**4. How do you plan to create a positive committee experience? What type of support do you plan to provide to chairs and committee members, and how often do you plan to provide such support?**

I plan to be available to the committee and chairs as needed. I have already contacted all my chairs to start this year off well. I will be there as a resource and support for them and will contact them on a regular basis.

With Laurel Bliss (President), I will assist the Annual Program Committee to help plan and implement podcasting and other projects.

**5. What future directions do you see your office or NMRT needing to take this year or the following year? What kind of strategies do you envision for addressing projects that affect committees outside of your supervision?**

Last year was a starter year for the Annual Program, and this year we will hopefully be able to create some wonderful podcasts for NMRT. I will continue to assist the award committees to improve publicity and increase applicants for each award.
